

## MiMiner ICO Bounty Campaign

**MiMiner** Token (MIT Token) is a Utility-Token on the Ethereum blockchain, which allows a discount for services provided by the MiMiner's mining farm. One Token is worth 1 Watt of your mining equipment power consumption (miner).

Total number of MIT Tokens equals to 230 000 and 0.1% of that number shall be available for the Bounty pool.

MIT Token's cost while ICO  
**\$2 USD**

Pre ICO start date  
**September 25, 2018**

ICO end date  
**December 25, 2018**

## Tokens Distribution

You receive 0.5% of the amount invested by your referrals in the MiMiner project at ICO stage. Referral link shall be available on your miminer.com personal account.

Get registered on the site to get your own referral link and unique ID.

You shall have a personal link in our referral program which you can post on your website, blogs, social network profile or just pass it to your friends. When a person gets registered for Tokens purchase via your referral link he becomes related to you and you get 1% of every Token being sold during ICO (including PreICO). If you want to earn Tokens via our referral program you should:

- 1**  
Register on ico.miminer.com
- 2**  
Log in to your account
- 3**  
You shall get your referral link and ID number

## General Terms and Conditions

One user can have only one account. In case of double registration such multiple accounts (except for the initial one) shall be deleted. We have a right to exclude participants from any program at any time with forfeiture of Tokens credited if there is fraud or spamming in MiMiner's Bounty campaign. Total number of MIT Tokens equals to 230 000 and 0.1% of that number shall be available for the Bounty pool.

You shall be **18+** to participate in our Bounty campaign.

There are also Additional Terms depending on the program chosen. Please read them carefully. Please keep in mind that you shall comply with such Additional Terms as well as with the General Terms.

## How and when I get my MIT Tokens gained through the Bounty?

Bounty Tokens shall be displayed on your account. When ICO ends you will be able to transfer Tokens to your personal wallets or use them inside the service.

## How do I check number of Tokens acquired through the Bounty?

It shall be available in your account on [ico.miminer.com](http://ico.miminer.com). [Within one week we shall perform a random check on participants' compliance with the rules. If a participant doesn't comply with the rules, he shall be disqualified.](#)
